Our Committee Needs You!

After 3 years' service, some members of the Residents' Association Committee are stepping down. We are very grateful for their work. We now need others to bring fresh ideas and enthusiasm to maintaining and developing The Green and building our community.

Innovative, Creative, Proactive, Practical – if you are any of these, please consider how you could play a part on our Committee.

For more information, get in touch (details below) to explore what you could do.
